97% PURE TUNGSTEN

HAO CARBIDE

We are a manufacturer of tungsten fishing weights located in Zhuzhou, Hunan, Province.

We supply 1480 sizes of weights appropriate to your fishing needs, whether Lure, Fly, Ice ,Sea Fishing. Our weights are 97% tungsten by weight with a density--18g/cm³--higher than lead and Brass. No matter what size or color you desire, we can customize our products to meet your needs.

Moreover, HAO CARBIDE weights are environmentally safe, tungsten being far friendly to the outdoors than traditional lead weights, and far more durable.

In partnership with our customers, we are committed to preserving water, keeping our water clean and the fish biting .

HAO CARBIDE--A new choice in tungsten weights.
